

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary during the last few days before the election is an abuse of their use of the free public airwaves.

TV stations utilizing public airwaves are obligated to provide balanced broadcasting (if they choose to broadcast political programs).

If you can, please stop the airing of this program ("Stolen Honor"). In the longer term, please consider this abuse of the public airwaves when considering their applications to renew their licenses. Companies that take advantage of the airwaves should not be allowed to continue use of those airwaves.

Thank you.
